NOTE TO THE WAY OF THE
Description 101 355th LUBY ELOVE 1823CT LUBY
Alice has a mathematics test for which she is underprepared. She has to do at least one question correctly to pass the test. He decides to do a question which needs her to find the smallest prime number which is larger than a given integer N. Your task is to find and return an integer value representing the smallest prime number larger than N.
to find and return an integer value representing the smallest prime number larger than N. Input Format:
Input Format:
input1: An integer value N Output Format:
